The Disability Resource Center (DRC) is committed to providing equal access for students with disabilities at UGA. If you require accommodations at UGA, this form will provide you with the opportunity to request these accommodations from our office.

**OVERVIEW:**

In order to receive accommodations, please complete the following steps:

1. Submit the Request for Services form below

You can fax, mail, or hand deliver your documentation to our office. Our contact information is listed at the end of this page.

3. Attend an initial interview with your assigned disability coordinator.

After you submit your application, it will be reviewed by the intake coordinator. If we require additional information, we will contact you via your UGA email address. Once your application has been reviewed, you will be assigned to a disability coordinator who will contact you to set up an initial interview where you will discuss setting up accommodations.

You can complete this application at any time, although we encourage students to complete it as early as possible. Once everything is submitted, the process to evaluate the application takes around 1-4 weeks, so the earlier you submit the application, the earlier we can begin that process. All information provided to the DRC is confidential.

**DIRECTIONS FOR COMPLETING THE REQUEST FOR SERVICES FORM:**

Please answer all questions as completely as possible. Most questions are required, so if a question does not apply to you, please either select "Not applicable" or write it in the space provided. If you require more room for written responses, you are welcome to attach additional pages.

If you have any questions while completing this application, or would like more information about our services, please contact our office.
