Authorization Information:

I grant the Disability Resource Center release to access all my current and ongoing academic records. If awarded a scholarship, I understand that I must meet the scholarship criteria and agree to the following:

- My name and information from my academic history may be released to the scholarship selection committee(s).
- The DRC may arrange a meeting between me and DRC donor(s) and use my name, story, and picture for printed and video materials, reports, and press releases. Need-based scholarships are excluded from this statement and an additional release through the Office of Student Financial Aid (OSFA) will be required to share your information.
- I will participate in the award reception in Fall 2020.
- I will write a letter of thanks to the donor of the scholarship.

I certify that the statements herein are true to the best of my knowledge and grant my permission for the information contained herein to be shared with the scholarship selection committee(s) and scholarship donor(s).

Student Signature: _____ Date: _____

Essay Guidelines:

Your essay should be no more than 500 words and should address the following:

Students selected for awards and scholarships are asked to participate in the DRC Student and Faculty Reception. The event provides recipients the opportunity to share their unique life and educational experiences with the University community. It brings together students, DRC donors, University administrators, faculty, and other stakeholders.

How would you educate the audience about your disability, how it impacts you as a college student, and how the award will assist you in your educational pursuits?
